ALUMNI ASSOCIATION SECRETARY REPORT 2025-2026

The Alumni Association of the institution actively contributed towards the development and welfare of the college during the academic year 2025-26. The association continued its support by strengthening the relationship between the institution and former students and by encouraging alumni participation in academic and developmental activities.

The Alumni Association was formally established under the leadership of Dr. Shashikumar Shivayogi. The association was registered under the Karnataka Societies Registration Act in the year 1982 and later renewed in 2003. Since then, the association has been functioning actively with the support and cooperation of alumni members.

The association has consistently extended financial and moral support for the growth of the institution. It has encouraged alumni to participate in various academic, cultural, and social welfare activities organized by the college.

On 16-02-2025, the Alumni Association meeting was conducted for the academic year 2024-25. During the meeting, discussions were held regarding future development activities and alumni contribution towards institutional progress.

On 11-06-2025, elections for the Alumni Association office bearers were conducted. Subsequently, on 24-07-2025, the association meeting was held and the new committee officially assumed charge.

On 09-06-2025, the Alumni Association contributed an amount of Rs. 48,028 towards the purchase of a projector system for the college. This contribution greatly supported the academic activities of the institution.

To encourage academic excellence among students, on 18-09-2025, the Alumni Association organized a prize distribution programme and distributed prizes to meritorious students.

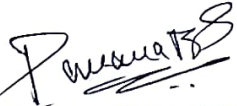

Further, on 02-04-2026, the Alumni Association decided to support the construction and development activities of the institution. On 27-04-2026, an amount of Rs. 56,640 was contributed towards the purchase of chairs and benches for the college.

In addition, on 09-05-2026, the Alumni Association donated desk units worth Rs. 5,78,200. A total of 1,211 desk units were provided to strengthen classroom infrastructure and improve student learning facilities.

Overall, the Alumni Association played a significant role in supporting the institution through financial assistance, student welfare programmes, infrastructure development, and active participation in institutional activities during the academic year 2025-26.
